

# DR SURESH DEVNANI

The “Happy Doctor”,  
International Bestselling  
Author, Multi-awarded  
Speaker, and Coach  
4 X TED Speaker

**TOP 10 MOST SOUGHT AFTER  
GLOBAL SPEAKER ON  
HAPPINESS AND WELLBEING**

Dr. Suresh Devnani is an award-winning speaker and internationally recognized global thought leader in leadership, and workplace culture.

For over 28 years, he has been teaching entrepreneurs, c-suite executives, educators, professionals, and over-achievers how to build innovative, thriving organizations and design the dynamic life they desire.

As a successful entrepreneur, former corporate executive, he is both an academic and a practitioner, incorporating his continual research into day-to-day business he's taught thousands of individuals in over 123 countries through his books, videos, online courses, keynote speeches and masterclasses. After advising some of the world's most prominent individuals and companies, Suresh has designed a framework for happiness that helps individuals and organizations achieve exponential growth.

As an in-demand positive psychology expert, he has been invited to speak at TEDx on four separate occasions.

## DR. DEVNANI HAS BEEN AWARDED
